Dear John:

On behalf of the world's largest business federation representing the interests of more than 3 million businesses and organizations of every size, sector, and region, I am pleased to inform you that the U.S. Chamber of Commerce's board of directors has endorsed your candidacy for the U.S. House of Representatives.

The Chamber aims to protect pro-business majorities in Congress and vigorously support policies that advance economic growth, help create jobs, and promote fiscal responsibility. Last year the House passed legislation that provided tax relief for American businesses, rolled back onerous regulations, and advanced legislation that helps small businesses grow. Your support of issues such as these earned this endorsement.

If you have any questions, please contact Rob Engstrom, senior vice president and national political director, at 202-463-3178. Best wishes for a successful campaign.

Sincerely,
