Dear John:

The International Union of Operating Engineers (IUOE) Local 150 is a proud labor organization with a long history of representing the interests of working men and women on the job, at the bargaining table, and in the halls of government. In addition to workers' rights, we value commitment to a strong and reliable infrastructure that supports Illinois' economy and creates job opportunities in every industry.

I am proud to inform you that IUOE Local 150 has endorsed your candidacy in the upcoming Illinois General Election, and this endorsement will be communicated to our membership.

Hardworking Illinoisans are counting on determined leaders to protect their rights and ensure that we have a safe infrastructure that is a strength rather than a weakness when it comes to economic activity and job creation.

Good luck in the upcoming election.

In Solidarity,

James M. Sweeney  
President-Business Manager
